The Gift of the Magi

It is Christmas in New York, but for two young newlyweds, Jim and Della, the prospects are bleak as they are nearly penniless. But as those familiar with the famous O. Henry story are aware, their dilemma is solved when both show love and compassion for one another with a heartwarming Christmas sacrifice that creates, at least for a magical moment, an aura of warmth and giving in the cold, impersonal winter city. This story presents us with the true meaning of the holiday season.
