AN EVENING OF WONDERS

An Evening of Wonders is the creation of world class illusionist, Vitaly Beckman, who performs internationally in theatres, at corporate events and on TV programs. The Belarus-born illusionist began practicing the art of magic at the age of 14 and is now considered one of our county's greatest illusionists. His show includes such unique feats as making people disappear from ordinary photographs, object levitation, a paintbrush that paints by itself, escaping from chains using only the power of his mind, and making drawings of objects turn into the real thing: all concrete examples of his belief that dreams can become reality.

Chilliwack Art Gallery

The Chilliwack Visual Artists Association presents

PLANES AND CHARACTERS

Pierre Tremblay and Sandra Wiens both enjoy working with the physicality of paint but with different outcomes. Pierre Tremblay has focused on playing with the conventions of portraiture. Playful extremes in both colours and composition play an important role in how his subjects materialise. Sandra Wiens has been working on depicting non-specific landscape spaces that explore the notion of both incremental and forceful change.
