### Treasure Island

By Robert Louis Stevenson

Adapted by Gabby Bohmer & Megan Mackenzie

Based on the masterful adventure by Robert Louis Stevenson, *Treasure Island* is a grand tale of piracy on the high seas. Beginning at the quaint Admiral Benbow Inn, this tale quickly becomes an unforgettable story of treachery and mayhem featuring a group of legendary swashbucklers including the dangerous Captain Billy Bones, the sinister and two-timing Israel Hands and the ever entertaining Gunn. At the centre of this adventure are Jim Hawkins, a young boy who longs for adventure, and the infamous Long John Silver, a complex soul and one of the most famous hero-villains of all time. Silver, a buccaneer-rogue whose greedy quest for gold, coupled with his friendship for Jim, can't help but win the hearts of every person who has ever longed for treasure and adventure.
