## NOISES OFF!

Produced with permission of Samuel French

Written by Michael Frayn

The Chilliwack Players Guild starts off their 2010/2011 season with playwright Michael Frayn's comedy **Noises Off**, a three-act play-within-a-play that follows the on-stage and backstage antics of a doomed acting troupe as it performs a bungled bedroom farce called **Nothing On**. **Noises Off** is billed as one of the funniest plays of the 20th Century. Confusion reigns as a hapless acting troupe proves that whatever can go wrong – on stage or off – will. What could be better than an evening of slamming doors, sexual dalliances and errant plates of sardines?
