Rock.It Boy Entertainment presents

The Lonely – A Tribute to Roy Orbison

The **Big O** was unmistakable with his trademark sunglasses, his distinctive, powerful voice, his complex compositions and the dark emotional ballads we all love. From 1960 to '64 **Roy Orbison** landed 22 songs

on the **Billboard Top 40**, including *“Only The Lonely”*, *“Crying”*, and *“Oh, Pretty Woman”*. His impassioned voice, bridging the gap between baritone and tenor, coupled with his signature arrangements ensured the charting of the hits *“Dream Baby”*, *“Ooby Dooby”*, *“Blue Angel”*, *“Blue Bayou”*, *“You Got It”* and *“In Dreams”*. Tragically, his life was cut short, leaving us only the music.

And, long may the music live! **THE LONELY** delivers a sensitive and dynamic tribute to the one and only **Roy Orbison**. Veteran Mike Demers leads this group of musical journeymen in their mutual and deep appreciation of the timeless music of the **Caruso of Rock**. **THE LONELY - A Tribute to ROY ORBISON** approaches the music with a humble spirit and sincere desire to recreate the sounds and feel of the original recordings. The band has been selling out shows right from their debut. Tina Coldwell of **TLC Entertainment** says, “One of the best tributes I’ve seen and I’ve been in the biz for 22 years.” Be there or be square!

Chilliwack Art Gallery

Chilliwack Visual Artists Association presents

Transition

“Transition” is the theme chosen by the members of the CVAA for their first show of the 2016 season. It is a theme which is very appropriate for the changing of the seasons at this time of the year, with the hope of a not too distant spring raising everybody's spirits.

The word ‘Transition’ has many meanings in the dictionary., which artists can apply to their work, in whatever media: conversion, evolution, transformation, and alteration to name a few. How exciting a vista that opens up! We can use a change in our own circumstances: our country side with all the new growth springing up everywhere: changes in our own perception of what we see, or how we want to portray our own vision now: or something simple such as the change from day to night.

The possibilities are endless, so you can look forward to something different, something fresh and new from the CVAA.
