Upcoming Events

Rock.It.Boy Entertainment presents

The Lonely – A Tribute to Roy Orbison

Roy Orbison was unmistakable with his trademark sunglasses, his distinctive, powerful voice, his complex compositions and the dark emotional ballads we all love. From 1960 to '64 Roy Orbison landed 22 songs on the Billboard Top 40, including 'Only the Lonely', 'Crying', and 'Oh, Pretty Woman'. **The Lonely** delivers a sensitive and dynamic tribute to the one and only Roy Orbison, with veteran Mike Demers leading this group of journeymen in their mutual and deep appreciation of the timeless music of the Caruso of Rock.

Secondary Characters presents

Oklahoma!

Rodgers and Hammerstein's first collaboration remains, in many ways, their most innovative, having set the standards and established the rules of musical theatre still being followed today. Set in a Western territory just after the turn of the 20th century, the high-spirited rivalry between the local farmers and

the cowboys provides the colourful background against which Curly, a handsome cowboy, and Laurey, a winsome farm girl, play out their love story. Although the road to true love never runs smoothly, with these two headstrong romantics holding the reins, love's journey is as bumpy as a surrey ride down a country road.
