Chilliwack Art Gallery

“LIGHTS!” A CHILLIWACK VISUAL ARTISTS ASSOCIATION MEMBERS SHOW

We in the CVAA, are a diverse group of artists, following many disciplines, using different media, and occasionally getting pretty wild and wonderful ideas. “Foot Fetishes” comes to mind as a suggestion, which was offered no too long ago. The problem with any group considering an exhibition, is to make a decision which can satisfy the members, be different but not too difficult to interpret nor too easy. We

have to try to satisfy our viewing public to some extent without sacrificing our integrity as artists, otherwise we are not really artists. Each member of the CVAA has to try and keep their own individuality while trying to interpret the theme of choice made by a majority vote from a list of possible ideas put forward by the membership, which can be very tricky. Just how far can we stray but still keep true to the core idea of the chosen theme? In June of 2017, we will find out how successful we have been, by putting on a show, which is original and satisfying, and still using all the genres which are available to each member of our group

O'Connor Group Art Gallery – June 29 to August 5, 2017

Free and open to the public.

Gallery Hours: Wednesday – Saturday, 12:00-5:00pm
