THE FAB FOUREVER AND THE CMO

They're Back! It's been over six years since the first sellout collaboration concert between The Fab Fourever, the Lower Mainland's most popular Beatles tribute band and the Chilliwack Metropolitan Orchestra. We think it's high time to again treat the people of Chilliwack to another of these very special concerts, one that the Beatles never even performed. The timeless rock sounds of the Beatles, produced authentically by The Fab Fourever with the backup of a live symphony orchestra. Much of the Beatles music was orchestrated for orchestra and we were the first to bring this onstage in live performance.
