## DISNEY'S BEAUTY AND THE BEAST

Beauty and the Beast is one of Disney's best accomplishments at heralding the themes of trust, redemption, love, true beauty and family. Prince Adam, whom is deeply entrenched in his narcissistic path, finds himself sentenced to a life as a Beast, which outwardly reveals the ugliness of his selfish ways, until one day he is redeemed through the love of another. This transforming love heals his heart

first and then his beastly appearance, thus restoring him back to a Prince once more. Lighthouse Theatre, a dynamic group of students ranging from Grades 2-12, is committed to a high standard of excellence from the acting, singing, and choreography to the costumes and impressive set design. It's an event you won't want to miss. So sit back, relax, and enjoy the show...
