The Original Legends of RocknRoll presents

AN EVENING WITH THE RAT PACK

The legendary Rat Pack lived and died the high life of booze, broads and bright lights, always projecting a sense of detachment and serenity. Through it all, they always remained just outside the radar of understanding... the most distant stars in the firmament. Dean Martin's biographer (Nick Tosches) once noted very appropriately, these guys are what the Italians call a menefreghista... "one who simply doesn't give a damn"

Don't miss this fun-filled evening of good music, good fun and tom-foolery portrayed exactly like the originators did so many years ago on the Las Vegas Strip.

The Chilliwack Arts & Cultural Centre Society presents

DRACULA

A captivating mix of classic and contemporary dance

He's still blood-thirsty, but that doesn't mean Ballet Victoria's Dracula is anything like your typical vampire — or your typical ballet. Clad in harem pants and donning a large snake tattoo on his chest, this evil villain has traded his standard cape and fangs for a more modern look — just in time for Halloween! With a mix of classic and contemporary dance set to music ranging from Elgar's Cello Concerto, to Sia's "Chandelier" and even a few tracks from Guardians of the Galaxy, it'll be unlike any ballet you've ever seen! But be careful: it bites. Ballet Victoria is a first-class professional organization with international recognition that has produced an impressive 54 new works since opening, and with former professional dancer Paul Destrooper as Artistic and Executive Director, their productions possess a unique use of lighting and contemporary music used to emphasize the emotions of the performance. Don't miss this cutting-edge ballet company's magnificent vision of Dracula.

Chilliwack Art Gallery

Interaction

Heinz works includes drawing objects which express his unique vision of the world around him by re-imagining natural objects in a fresh way. Small sculptures, constructions and drawings are combined and arranged into an assembled environment within the Gallery space.

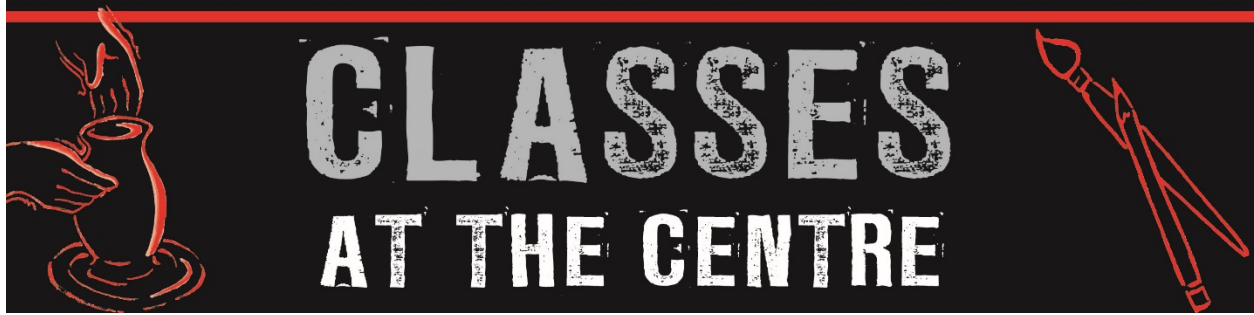

Lois's quilts are designed to be hung on a wall, and appreciated as one would view a painting. Lois employs a variety of techniques encompassing both traditional fabrics in her one of-a kind quilts, and nontraditional (for quilts); surface design including oil stick rubbing, and thread couching.
