FOR IMMEDIATE RELEASE

Sexual Education and Star Wars Intertwine in Hilarious Fringe Comedy.

CHILLIWACK, BC – Prepare yourself for an epic war of Sperm VS Egg! The fringe comedy *Sperms Wars* is coming to Chilliwack on **October 20 & 21, 2016!** This hilarious one man show follows the story of millions of sperm as they launch a high stakes suicide mission to battle a mysterious and evil enemy, while in another world the eggs gather together as the time for their monthly sacrifice to the uterus nears.

The writer and performer behind *Sperm Wars*, Jeff Leard was inspired by his love for science, both fictional and non-fictional. “I’ve always had a fascination with Biology, specifically re-productive biology, and growing up I was a big science fiction and Star

Wars fan, so I just really love making fun of the genre”, explained Leard when interviewed. “It’s a very physical show with a lot of science fiction references and very high energy, and of course filled with very crude jokes”.

While the humour is definitely risqué, *Sperm wars* is quick witted and laced with intellect. It received Five Stars from the Edmonton Journal who called it “Raucous, raunchy, preposterously well mimed, and most importantly, delightfully original with actual substance”. But the humour isn’t the only thing drawing it attention; with more than 15 characters and just one actor, Jeff does a fantastic job of captivating his audience whilst committing to every role.

This show is perfect for fans of science fiction and taboo humour, and Sperm Wars will be coming to **The Chilliwack Cultural Centre on October 20 and 21, 2016 at 7:30pm**. Filled with hilarious entertainment and big laughs, it is the perfect night for any lover of Fringe. Tickets are on sale now, so be sure to secure yours today!

Please be advised this show has adult material and situations and may not be appropriate for all audiences.

Tickets are available at The Centre Box Office (9201 Corbould Street, Chilliwack BC), www.chilliwackculturalcentre.com, 604-391-SHOW(7469).
