FOR IMMEDIATE RELEASE

They're Outrageous, They're "Sexy" and They're Back - *The Comic Strippers!*

CHILLIWACK, BC — There's no night with a bunch shirtless guys quite like a *The Comic Strippers* show, as these men try to be sexy, but it just comes out funny. This fake-male stripper troop will be gyrating their way through the Chilliwack Cultural Centre once again on **February 2, 2018**. From their hilarious on-stage antics and incredible improv abilities to their penchant for including plenty of audience participation, *The Comic Strippers* pull out all the stops to create a +19 comedy experience that's explosive, entertaining, and about as un-erotic as you could imagine. Don't miss your chance to join in the night of comedy, as *The Comic Strippers* give you a show you'll never forget.

Bringing their purple bowties, *The Comic Strippers* are back, and they're ready to show off their comedy bodies! This appearance by Chip, Chip, Chip, Chip and Chip is set to be another riot of uproarious improv comedy!

Creator and performer Roman Danylo encourages men and women alike to join in on the night of comedy. He assures that *The Comic Strippers* is "squeaky clean", and can be enjoyed by everyone. "This is not a show with comedians stripping; it's improvisers playing fake male strippers putting on a comedy show. We want to make sure guys come to our shows, too. There's no reason they shouldn't because we're not real strippers in any way. It's not going to make you feel weird, that's for sure," Danylo explains.

Oiled up and ready to make you laugh, the semi-undressed comedians put on a completely unscripted show, taking on audience suggestions to create a whole new genre of comedy. Comprised of some of Canada's best improv comedians, *The Comic Strippers* know how to make each show uniquely exciting and entertaining. They won the "Best Live Production" award at The Canadian Comedy Awards 2016, and it's no surprise why. Danylo explains: "As a performer, it's pretty tough to beat improv. There's nothing more exciting and freeing than making it up in the moment - and it also means there's less preparing to do. Less work equals more fun! And there's such incredible comic chemistry between us all that I'm constantly amazed and entertained by what each Chip brings to the show. It's just an explosion of ridiculousness every time."

"It's perfect for people that don't really want to go to a real stripper show; they just want to have a bit of campy twist on that kind of a night." Danylo promises that the night will be filled with hilarity and that you'll be laughing along to these guys' 'charms' - especially when the Chips start shaking their beer guts around. Because with *The Comic Strippers* there's no full nudity - just full hilarity!

The Comic Strippers is coming to the Chilliwack Cultural Centre on **February 2, 2018 at 7:30 pm**. Tickets are \$39 for adults, \$36 for seniors, \$34 for those between

19-25 years of age, and can be purchased at the Centre Box Office, online at www.chilliwackculturalcentre.ca, or by calling 604-391-SHOW(7469).
