## DRAWN TO CLAY December 3 to January 7, 2021

"I believe that freedom to explore encourages artistic growth; out of old ideas new ideas are hatched and developed. Moving on from market trends, my work has transitioned from functional to expressive. It has evolved in line, form, colour, and scale, from one medium – clay – to multiple media including paint, pastels, pen, and ink."

"Throwing at my wheel is where I have always been the most comfortable. Lately, I have felt more freedom to take greater risks and experiment in hand building. Also, my lifelong interest in drawing has been renewed although reaching into new territory for me – Plein Air and Life Drawing. I enjoy sitting outdoors, focusing on a grove of trees, proud heritage structures, or a rail fence; and line by line bringing to life my interpretation on paper."

GALLERY HOURS: Monday to Saturday: 12:00 to 5:00 pm

The stakes are higher than ever in this dynamic stage musical, as Sponge Bob and all of Bikini Bottom face the total annihilation of their undersea world. Chaos erupts. Lives hang in the balance. # Support The Centre

We are so excited about the fantastic success the Chilliwack Cultural Centre has achieved in our first nine and a half years! Since opening, we have focused on three main areas of development: providing world class entertainment at accessible ticket prices; maintaining the highest standards of arts and crafts programs at prices families can afford; and ensuring the Chilliwack Cultural Centre remains the pride of Chilliwack.

In order to achieve these goals the Chilliwack Arts & Cultural Centre Society must raise over one million dollars through earned revenue, arts grants, sponsorships, and donations each year. Consider making a fully tax deductible donation to help us ensure that Chilliwack has access to the very best arts experiences.

### Naming Opportunities

Naming of the Cultural Centre's spaces will gain your business or organization an enormous amount of public exposure every time an event is held at this world-class facility.

### 88 Key Club

A vision for a new, world-class facility began over a decade ago and it was spurred on by a committee commissioned by Chilliwack's City Council.
