THE POWER OF COLOUR

February 23 to April 2, 2022

Federation of Canadian Artists Fraser Valley Chapter artists use colour to explore their personal vision and style. Colour really does speak!

Colour really does speak. It can be used to convey levels of energy and movement, mood or concepts. Whether highly saturated or soft, greyed hues we can recognize artists by their use of colour. How much is deliberate and structured? How much is intuitive? Colour is used to convey a sense of the artists themselves, their personal vision and individual style.

Support The Centre

We are so excited about the fantastic success the Chilliwack Cultural Centre has achieved in our first nine and a half years! Since opening, we have focused on three main areas of development: providing world class entertainment at accessible ticket prices; maintaining the highest standards of arts and crafts programs at prices families can afford; and ensuring the Chilliwack Cultural Centre remains the pride of Chilliwack.

In order to achieve these goals the Chilliwack Arts & Cultural Centre Society must raise over one million dollars through earned revenue, arts grants, sponsorships, and donations each year. Consider making a fully tax deductible donation to help us ensure that Chilliwack has access to the very best arts experiences.

Naming Opportunities

Naming of the Cultural Centre's spaces will gain your business or organization an enormous amount of public exposure every time an event is held at this world-class facility.

88 Key Club

A vision for a new, world-class facility began over a decade ago and it was spurred on by a committee commissioned by Chilliwack's City Council.
