

CONVERGENCE BY PATRICIA PETERS, HOLLY MCKEEN, GEORGE RYCHTER

Exhibit on until September 17, 2022

PATRICIA PETERS is a contemporary landscape artist, who creates vivid images, using her unique language of colour to illustrate her response to the world around us and in particular, her ongoing conversation with the land. HOLLY MCKEEN enjoys the study of complex surfaces in crystalline and special effect glazes while seeking movement and elegant curves in her porcelain creations. Both surface and form come together as one in the ceramic artistry of this collection. GEORGE RYCHTER As a digital artist, his work is born using computer algorithms to wildly manipulate a photo image, so as to transform it into something that he then colours. Ultimately the artwork is made into a light jet print on white aluminium.

Support The Centre

We are so excited about the fantastic success the Chilliwack Cultural Centre has achieved in our first nine and a half years! Since opening, we have focused on three main areas of development: providing world class entertainment at accessible ticket prices; maintaining the highest standards of arts and crafts programs at prices families can afford; and ensuring the Chilliwack Cultural Centre remains the pride of Chilliwack.

In order to achieve these goals the Chilliwack Arts & Cultural Centre Society must raise over one million dollars through earned revenue, arts grants, sponsorships, and donations each year. Consider making a fully tax deductible donation to help us ensure that Chilliwack has access to the very best arts experiences.

Naming Opportunities

Naming of the Cultural Centre's spaces will gain your business or organization an enormous amount of public exposure every time an event is held at this world-class facility.

88 Key Club

A vision for a new, world-class facility began over a decade ago and it was spurred on by a committee commissioned by Chilliwack's City Council.
